

LEARNING AND LOVING EDUCATION CENTER

FEBRUARY 2018 NEWS

February is the month of “*love.*” Certainly our world needs more love. If we listen to the news or read newspapers, we see that there is too much violence, hate, confusion, corruption, and ugliness in our world. It almost overpowers the fact that there is goodness still in our world. We need to bring the love and the positive energy to overturn the negative.

Our **bridge theme** is reflected in this verse from The Judds song “*Love Can Build a Bridge.*”

*Love can build a bridge
Between your heart and mine
Love can build a bridge
Don't you think it's time?
Don't you think it's time?*

Let us build bridges this February – bridges which will unite us, rather than divide us;

bridges which will reach out to others, rather than shut people out;

bridges which will extend love to others, rather than hatred, suspicion, and exclusion;

bridges which will bring hope, rather than despair.

We can build bridges of love. Don't you think it's time?

PRESCHOOL FEBRUARY THEMES:

TRANSPORTATION

Purpose: To help the children learn about ways to move on land, sea and air.
