Learning and Loving Education Center

Preschool Message

If you are like most parents. You want your child to be well prepared for success at school. Did you know that learning to read is one of the most important skills that your child will need in order to succeed? Your mind, your support, your ideas and your love, are what your children need to reach their potential. Read to them and with them.

February Preschool Themes:

*What our world could use is more **LOVE**...all forms of **LOVE**. Let us all open our hearts to **LOVE**, to love those who love us, but also those others who need our love. *Joyce Rupp wrote this beautiful reflection on love:**

We pray for...

...*love that **draws** us to friendship and fidelity.*
...*love that **leads** us to kindness and compassion.*
...*love that **lures** us toward the sacred and serene.*
...*love that **calls** us to new vision and growth.*
...*love that **soothes** our heartaches and gentles our pain.*
...*love that **sees** worth in each human being.*
...*love that **believes** in us and whispers with hope.*
...*love that **sings** in the seasons and sighs in the wind.*
...*love that **taps** on the door of forgiveness.*
...*love that **longs** for peace among all humankind.*
...*love that **surprises** and fills us with awe.*
...*love that **sings** praise for the face of earth's beauty.*
...*love that **offers** the hand of warm welcome.*
...*love that **respects** those who won't come too near.*
...*love that **urges** us to take risks and have courage.*
...*love that **goes** out to those from afar.*
...*love that **embraces** the shadow in us.*
...*love that **sheds** the old skin and welcomes the new.*
...*love that **ripens** our souls for the final journey home.*

*May **LOVE** fill this month of February and fill us all the days of our lives.*
