

Learning and Loving Education Center May 2019

This year has been a very special one for the Center; we have celebrated our **25th year of service here in South County**. We have touched the lives of over 3,000 women, and they have touched ours. You are an important part of the history of our Center. Thank you for all your energy, enthusiasm, effort, kindness toward one another, and willingness to do your best. We are eager to celebrate your achievements on our preschool graduation and achievement recognition day, **May 22nd**. We are proud of our HiSet graduates, too, as well as our thirteen preschool graduates.

Here are two quotations to keep you motivated:

Roy T, Bennett said, "Believe in yourself. You are braver than you think, more talented than you know, and capable of more than you can imagine."

Chantal Sutherland wrote, "Believe in yourself. Take on your challenges. Dig deep within yourself and conquer fear. Never let anyone bring you down. You got to keep going."

The message is to believe the best about yourself, trust in yourself and your gifts, keep going. We hope to see you back next year, or we hope that you have moved on to other opportunities. We cherish the time we have shared with you and always wish you the best.
